It’s hard to see the future with tears in your eyes.
Building a community that works well for all people.
Information is as vital to the healthy functioning of communities as clean air, safe streets, good schools, and public health.

The Knight Commission on the Information Needs of Communities
Authentic leadership will risk failure by making the space for others to act.

PARKER PALMER
“There’s no future in this ghost town.”

We disagree. Strongly.
Tribune: a champion of the people

- A strong and inclusive local economy
- A healthy, livable, sustainable community
- A community that is open to change with a culture of shared stewardship
